

VEGAN FRIENDLY MENU

At Noodle Nation, we're delighted to serve our vegan guests! Many of our dishes are brimming with fresh, vegan-friendly ingredients we think you'll adore. While our kitchen also cooks up meat dishes, our woks get a good scrub between uses, so your stir-fries stay just the way you like them. Do keep in mind that our deep-fried goodies share the same oil as meat products. We'll leave it up to you to decide if you'd like to crunch on those treats!
